MOKO.mobi signs new United States carrier deal with AT&T

AT&T customers will be able to discover, refer, and buy music direct from their mobiles via MOKO Music

Sydney, 24 July 2009 – MOKO.mobi Limited (ASX: MKB) today announced it has secured a deal to launch MOKO Music on select AT&T mobile handsets.

The MOKO.mobi mobile Chat & Share platform's latest development now includes an enhanced music community which enables users to search and discover, refer, and buy full-length tracks, ring tones, and answer tones, all from their mobile handset.

"Providing a unique mobile music community service for our users to discover & refer music has been a priority for us," said Ian Rodwell, MOKO.mobi's CEO.

"MOKO.mobi's addressable user-base has grown steadily, with recent carrier contract announcements in Latin America, India, and South East Asia. Now we're expanding further in the United States."

MOKO Music users can Chat & Share with other American Mokies (MOKO Users) and with Mokies from around the world.
