

MOKO.mobi - Philippines leading Chat & Share mobile community launches with Globe Telecom

MOKO.mobi Limited continues to build on its global distribution momentum, announcing its second on-deck carrier deal in the Philippines.

Sydney, 20 April 2009 – MOKO.mobi Limited (ASX: MKB) today is pleased to announce that it has launched with Globe Telecom; together with Smart Communications MOKO.mobi is now available on both the Philippines major wireless carriers, making it directly accessible to over 57 million consumers.

The deal includes a revenue share with Globe on daily access charges, MMS, and one-to-one Private Media Messaging (PMM).

MOKO.mobi reported very strong take-up in the Philippines earlier this year, with Filipino MOKO.mobi users, known as Mokies, helping to initiate over one million user-pays premium events across its global platform in the last quarter of 2008.

"This deal signifies MOKO.mobi's quick establishment as the leading Chat & Share mobile community in the Philippines, where we are seeing very strong take-up of our services, and with Globe now offering our service to its customers we expect this growth to accelerate beyond our current levels." said Ian Rodwell, MOKO.mobi Limited's CEO.
