## EXERCISE OF LISTED OPTIONS RAISES \$6.8M

- **Supported by substantial shareholders and MOKO Directors**

MOKO Social Media Limited (“the Company”) has raised \$6.8m from the exercise of its listed options since the Company’s last quarterly cashflow report.

The listed options traded under the ASX code “MKBOA” and expired on June 13 2015. An Appendix 3B relating to the final share issue following the expiry of the options was released on June 19 2015.

MOKO is pleased that substantial shareholders Trevor Nairn and Peter Yates have increased their ordinary shareholdings as a result.

MOKO Directors, Ian Rodwell, Greg McCann and Jeff White, have also exercised their listed option holdings.

Details will be reflected in soon to be released Directors’ Interest Notices and Substantial Shareholder Notices.

The Directors of the Company thank you for your continued support.

### About MOKO SOCIAL MEDIA Limited

MOKO Social Media is at the forefront of the next generation in social media and publishing, providing innovative products and content to enable communities to engage and interact. MOKO is a platform publishing company that provides tailored content for high value, niche user groups. Mobile devices, including cell phones and tablets, account for 90 percent of user engagement.

MOKO is currently targeting students, political supporters and active lifestyle participants: communities that share common interests and need to engage regularly and efficiently. MOKO aims to capture these audiences by becoming their destination of choice for information and interaction. It does this by creating highly relevant and exclusive content, and by providing the platforms that enable the communities to consume and share the content seamlessly across devices.

For personal use only

MOKO then generates revenue from sponsorship, content syndication, social network distribution, advertising and other monetization of the platforms.

This integrated approach gives MOKO unique exposure to attractive markets that can be leveraged for revenue and growth. As MOKO grows there are clear synergies across different products, as well significant opportunities for cross promotion and diversification.

MOKO's Monthly Social Reach (MSR) is currently around 95 million people and it aims to reach 10-15 million Monthly Unique Visitors (MUV's) by the end of 2015. MOKO is listed on NASDAQ (MOKO) and the Australian Securities Exchange (MKB).

#### **Note**

This announcement is for informational purposes only and is neither an offer to sell nor an offer to buy any securities, or a recommendation as to whether investors should buy or sell.

#### **Special Note on Forward-Looking Statements**

This press release contains information that may constitute forward-looking statements and uses forward-looking terminology such as "anticipate" "propose" "expect" and "will," negatives of such terms or other similar statements. You should not place undue reliance on any forward-looking statement due to its inherent risk and uncertainties, both general and specific. Although we believe the assumptions on which the forward-looking statements are based are reasonable and within the bounds of our knowledge of our business and operations as of the date hereof, any or all of those assumptions could prove to be inaccurate. Risk factors that could contribute to such differences include our ability to prepare required documents in connection with the proposed offering, the timing of regulatory review, performance of our shares on the Nasdaq Global Market, and the performance of the United States and global capital markets and companies in our sector, as well as factors relating to the performance of our business, including intense competition we face; failure to innovate and provide products and services that are useful to users; our ongoing need for capital for investment in new and existing business strategies and new products, services and technologies, including through acquisitions; our dependence on advertising revenues; the potential for declines in our revenue growth rate and downward pressure on our operating margin in the future; increased regulatory scrutiny that may negatively impact our business; legal proceedings that may result in adverse outcomes; failure to maintain and enhance our brand; uncertainty as to our ability to protect and enforce our intellectual property rights; and uncertainty as to our ability to attract and retain qualified executives and personnel. The forward-looking information provided herein represents the Company's estimates as of the date of the press release, and subsequent events and developments may cause the Company's estimates to change. The Company specifically disclaims any obligation to update the forward-looking information in the future. Therefore, this forward-looking information should not be relied upon as representing the Company's estimates of its future intentions as of any date subsequent to the date of this press release. Our plans may differ materially from information contained in the forward-looking statements as a result of these risk factors or others, as well as changes in plans from our board of directors and management.
